SUPPORT IN UNCERTAIN TIMES

In order to help curb the spread of the COVID-19 virus and in accordance with the health regulations of the Manitoba Provincial Government, St. Nicholas Church has temporarily closed its doors to people at this time. The Basilian priests resident in the monastery will be celebrating the scheduled liturgies, but without the presence of the public. Many of the liturgical services will be livestreamed and links will be posted to this page.

Our primary concern is the health and well-being of our parishioners and those in our community. However, without public liturgical services being held in the church and the suspension of public fundraising activities, the parish has lost a large portion of its revenue. It will be a challenge for St. Nick's parish to maintain operations without the weekly offertory collection. There are several ways that a parishioner can continue to support St. Nick's at this time:

1. Drop off or mail your regular weekly offertory contribution to the parish office.
2. Sign up for Automatic Pre-authorized Debits. Please contact the parish office for more information.
3. Contributions via Interac e-transfer.

The parish is now setup to receive your donations via Interac e-transfer services, by sending funds to: donations@stnicholaschurch.ca

Please include your name on the transfer request to facilitate proper record keeping. If we require further information, we will contact you via the email address used for the transfer. Regardless of the method you choose to donate to St. Nicholas, every donation will be recorded and an Income Tax Receipt will be issued at the end of the year.

We sincerely thank you in advance for remembering your parish. during these uncertain times. The Basilian Fathers remain fully committed to serving the parish and parishioners. Please contact us at the parish office if we could be service. May God keep all of you healthy!

PRAYER DURING TIMES OF COVID 19 PANDEMIC

(To say this prayer after the Ambo prayer, aloud)

Priest: Bowing our heads and bending our knees, let us pray to the Lord.

People: Lord, have mercy.

Priest: Jesus Christ, you traveled through towns and villages "curing every disease and illness." At your command, the sick were made well. Come to our aid now, in the midst of the global spread of the coronavirus, that we may experience your healing love.

Heal those who are sick with the virus. May they regain their strength and health through quality medical care.

Heal us from our fear, which prevents nations from working together and neighbors from helping one another.

Heal us from our pride, which can make us claim invulnerability to a disease that knows no borders.

Jesus Christ, healer of all, stay by our side in this time of uncertainty and sorrow. Be with those who have died from the virus. May they be at rest with you in your eternal peace. Be with the families of those who are sick or have died. As they worry and grieve, defend them from illness and despair. May they know your peace. Be with the doctors, nurses, researchers and all medical professionals who seek to heal and help those affected and who put themselves at risk in the process. May they know your protection and peace.

Be with the leaders of all nations. Give them the foresight to act with charity and true concern for the well-being of the people they are meant to serve. Give them the wisdom to invest in long-term solutions that will help prepare for or prevent future outbreaks. May they know your peace, as they work together to achieve it on earth.

Whether we are home or abroad, surrounded by many people suffering from this illness or only a few, Jesus Christ, stay with us as we endure and mourn, persist and prepare. In place of our anxiety, give us your peace. For yours is the Kingdom and Power and Glory of the Father and of the Son and of the Holy Spirit now and forever and ever.

People: Amen.
