APPEAL: CHURCH PARKING LOT & STAIRS

Over many years, several sections of the church parking lot have sunk to the point that large areas have water collecting and now the asphalt paving is deteriorating. In addition, the stairs to the back parking lot entrance have sunken and need to be replaced. The costs of this project are substantial, however, through the generosity of the Basilian Order, **the Parish is asked to contribute \$16,000** to help offset the costs. Please consider donating to this project. **Construction work is 97% completed** with the handrails awaiting installation. To date: **\$14,020 has been collected** towards this project. **Please note:** the parking lot and the back entrance are now accessible, however please take caution on the stairs as the handrails have not yet been installed. A big thank you to Peter Muzyka who coordinated this project.
